### **London ESF Youth Programme Publicity Consent Form**

London Councils represents London's borough councils and helps to lobby the government for more resources in London.

We are collecting information from you (or your child) about your (or their) experience with the London ESF Youth Programme at

..... (provider name)

Please give us your consent to use the following information about you (or your child)

I give permission to take photographs and / or videos of me (or my child).

I grant London Councils rights to use images resulting from photographs / video filming (and any reproductions or adaptations of these images) in reports or publicity that help achieve the aims of the London ESF Youth Programme, including in printed or on-line form such as social media or press releases.

I grant London Councils rights to share information about my experience (or the experience of my child) with the London ESF Youth Programme, whether in conjunction with photographs / videos or not, with newspapers, magazines or TV stations, provided that London Councils informs me when this information will appear.

I grant London Councils rights to share information about my experience (or the experience of my child) with the London ESF Youth Programme, whether in conjunction with photographs / videos or not, to support future funding applications.

Note: London Councils will not include private addresses, email addresses, social media addresses, or telephone numbers in any publicity.

(Corporate Information) I give permission to use and share information about my experience of the London ESF Youth Programme (and disseminate without charge resources that I have found most useful).
