

# Garden Helper - Southall Library

## Ealing Libraries

### Description :

Help Southall Library to look fresh and appealing by tending to the plants and trees, and developing the outside space with new plants. This will involve weeding, watering, planting seeds, and suggesting ideas for the development of the outside space. We will provide gardening tools and gloves.

### Organisation Description :

Libraries contribute to raising achievement of children, young people and adults, promote community cohesion and civic pride; and the overall quality of life and general well-being of local communities. The library and local history service offers universal services to all ages. Library services are delivered through 14 fixed sites including a library at Ealing Hospital and a housebound and mobile library service.
