3.4 Terms of Reference

TEC is an associated joint committee of London Councils. When the Transport Committee for London (TCfL) became part of the then new Association of London Government in April 2000, there was a need to retain a separate identity because of the statutory involvement of Transport for London in the Committee's work for certain functions. Leaders' Committee agreed that TCfL should also undertake the role of the old ALG Transport and Environment panel and so the new Committee was renamed Transport and Environment Committee (TEC).

TEC is a statutory committee with specific responsibility for:

- Functions under the Road Traffic Act 1991 – including appointment of parking adjudicators and determining penalty charge levels and fees for declamping, vehicle recovery storage and disposal
- The provision of an independent appeals service for Parking on Private Land in England and Wales (POPLA)
- Operation of the TRACE service for locating towed-away vehicles
- Operation of the Health Emergency Badge scheme for medical practitioners
- Implementation and enforcement of the Greater London (Restriction of Goods Vehicles) Traffic Order 1985 ("The London Lorry Control scheme")
- Travel concession arrangements under section 244 of the Greater London Authority Act 1999 – including negotiation of settlements with Transport for London, the Association of Train Operating Companies (ATOC) and independent bus operators
- Setting of fixed penalties, issuing of Codes of Practice and other functions under the London Local Authorities Acts 2004 and 2007
- Operation of the London Taxicard scheme

TEC also initiates and develops policies across a range of areas:

- transport policy issues (including road, rail and airports)
- environment issues (including air quality and biodiversity)
- trading standards and public protection issues
- waste issues

In considering transport and environment matters which have implications and relevance to Londoners, TEC aims to ensure that:

- The transport and environment needs of London are recognised and promoted
- The allocation of resources and the development of policies and legislation influenced to the best effect for London; and
- Borough interests (financial and otherwise) are represented and protected.
