

# London Councils' Transport and Environment Committee

**Thursday 24 March 2022 at 2:30pm**

**Virtual & Informal**

***Important Note:***

*Part 5A of the Local Government Act 1972 covers public access to meetings, agendas and reports and applies to London Councils' Transport and Environment Committee as a Joint Committee. Now that the modifications introduced by the Emergency Regulations, made under section 78 of the Coronavirus Act 2020, 2020 Regulations have expired, the legislation prohibits formal meetings taking place virtually. This means that in order to participate in discussions and vote on decisions or recommendations, Members must be present physically at the meeting at which the matter is considered.*

*However, London Councils' lead Members have agreed that until the legislation is changed or all social distancing restrictions are lifted, formal committee business is to be dealt with by holding an informal virtual meeting in the first instance to ascertain the general view of a committee or sub-committee with a formal decision to be then taken by way of London Council's Urgency Procedure.*

*Paragraph 19 of London Councils' Standing Orders deals with urgency: If at any time the Director of Transport and Mobility of London Councils considers that any matter is urgent and should be decided on prior to the next meeting of London Councils' Transport and Environment Committee (TEC), then he/she shall consult the Elected Officers of the Transport and Environment Committee. If at least two of the Elected Officers of the Transport and Environment Committee, of whom one will be the Chairman, if available, and the other will be from another political party or no party, agree that the matter is urgent and agree on the Director of Transport and Mobility's recommendation, then the decision shall be taken by the Director of Transport and Mobility in accordance with such recommendation, subject to the decision being recorded in writing and signed by the Elected Officers of the Transport and Environment Committee agreeing the recommendation and the Director of Transport & Mobility.*

*This means that the Director of Transport and Mobility will take all formal decisions in consultation with the Chair and Vice Chairs shortly after the virtual committee meeting and informed by any comments and discussion at the meeting. No formal decisions will be taken at the meeting itself. The virtual meetings will continue to be public meetings, broadcasted live via the London Councils' website.*
