Lord Harris was delighted to continue as Co-President and informed members that it was important to make the case for London, to emphasise both its inequalities and common purpose, and to link with other centres of local government throughout the country.

The Rt Hon The Lord Barwell recognised three challenges facing London; the importance of the role of the capital in the levelling up debate; the decarbonisation of the economy; and devolution considerations. London Councils STANDING ORDERS¹

INTRODUCTION

These are the Standing Orders and rules of debate and procedure for the conduct of meetings of the London Councils joint committees. The Standing Orders apply to the London Councils' Leaders' Committee and, wherever appropriate, to the associated joint committees (the Grants Committee and London Councils Transport and Environment Committee), any sectoral joint committees, and any sub-committees (sometimes referred to as 'Panels') and forums of London Councils; and any reference to 'London Councils' is a collective reference to all of them. The Standing Orders have been drawn up having regard to Government best practice, guidance and statutory requirements.

In the event of any conflict between the provisions of the Standing Orders and the provisions of the Leaders' Committee Governing Agreement (which includes the London Grants Scheme) or the London Councils Transport and Environment Committee (LCTEC) Governing Agreement, the relevant provision of the Leaders' Committee Governing Agreement or the LCTEC Governing Agreement shall prevail.

Revised ~~8 June 2021~~ 7 June 2022

1. MEETINGS

Generally

- 1.1 Leaders' Committee, its associated joint committees (the Grants Committee and the Transport and Environment Committee (TEC)) and any sectoral joint committees shall each hold a minimum of 2 meetings² each year, one of which shall be an annual general meeting.
- 1.2 Subject to 1.1 above, meetings of London Councils shall be called, and the procedure to be adopted at such meetings shall be determined in accordance with the provisions of these Standing Orders.
- 1.3 Any member London Local Authority may give written notice of an item to be placed on the Agenda for any meeting. All notices of items for agendas and reports for circulation with agenda must be received by the Chief Executive not less than ten working days prior to the meeting to which the agenda relates.
- 1.4 Each London Local Authority subscribing to Leaders' Committee, its associated joint committees, and any sectoral joint committee, shall be entitled to receive from the Chief Executive sufficient copies of the Agenda, papers and minutes of the proceedings of the meetings of the joint committees and any Forums and sub-committees thereof.
- 1.5 Deputations shall be entitled, upon prior notification being given to the Chief Executive and at the discretion of the Chair, to attend and address the meeting for not more than ten minutes and to answer questions from members for a further ten minutes.

Calling Meetings

- 1.6 Meetings may be called by:
 - (i) Leaders' Committee, or the associated joint committee or sectoral joint committee by resolution;
 - (ii) the Chair of the relevant joint committee;
 - (iii) a requisition signed by not less than one third of the representatives, delivered to the Chief Executive at least ten working days before the date mentioned in the requisition.

² Any reference to meetings relates to formal, decision making meetings rather than 'for information' meetings

Business

- 1.7 The Summons to any such meeting shall set out the business to be transacted thereat, and no business other than that set out in the summons shall be considered at the meeting unless by reason of special circumstances, which shall be specified in the minutes, the Chair of the meeting is of the opinion that the item should be considered at the meeting as a matter of urgency.

Annual Meetings of Leaders' Committee and associated joint committees and sectoral joint committees

Timing and Business

- 1.8 Leaders' Committee, each associated joint committee and each sectoral joint committee shall hold an Annual General Meeting (AGM) before the end of July of each year.

The relevant joint committee will at its AGM:

- (i) appoint a Chair and up to three Vice Chairs;
- (ii) approve the minutes of the last meeting of that joint committee;
- (iii) receive the minutes of the last Annual General Meeting;
- (iv) receive any announcements from the Chair and/or Head of Paid Service;
- (v) appoint such sub committees and forums as considered appropriate to deal with matters which are not otherwise reserved to London Councils, LC TEC, Grants Committee or any sectoral joint committee;
- (vi) decide the size and terms of reference for those sub committees and forums;
- (vii) decide the allocation of seats [and substitutes] to political groups² in accordance with the political balance rules, unless the terms of reference (or constitution) of a sub-committee or forum makes specific provision for the make-up of its membership;

² Whilst not specifically bound by the legislation that governs this issue in borough councils, London Councils has operated on a similar basis to boroughs in recognising a party group as being one with two or more members which declare themselves as a group with a Leader. In the context of London Councils, members are the members of Leaders' Committee. No other metric - for example the overall proportion of London councillors - is used in determining proportionality among the groups. Current practice is that party groups are able to offer seats to other elected representatives but are under no obligation to do so.

- (viii) approve a programme of ordinary meetings for the joint committee, sub committee or forum for the year;
- (ix) consider any business set out in the notice convening the meeting.

1.9 London Councils Leaders' Committee will also:

- (i) appoint a Deputy Chair;
- (ii) agree the scheme of delegation to officers;
- (iii) receive nominations of Councillors appointed to Committees by the participating London Local Authorities.

1.10 Transport and Environment Committee will also:

- (i) receive a report recommending nominations to outside bodies.

1.11 Grants Committee will also:

- (i) approve any delegations to sub-committees or Officers in relation to the management of the London Grants Scheme.

Ordinary meetings

1.12 Ordinary meetings of Leaders' Committee, the associated joint committees, and any sectoral joint committee, will take place in accordance with a programme decided at the relevant AGM. Ordinary meetings will:

- (i) elect a person to preside if the Chair, Deputy Chair, or Vice Chairs are not present;
- (ii) approve as a correct record and sign the minutes of the last meeting;
- (iii) receive any declarations of interest from members;
- (iv) receive any announcements from the Chair or the Chief Executive;
- (v) receive questions from, and provide answers to, the public in relation to matters which in the opinion of the person presiding at the meeting are relevant to the business of the meeting and the submission of which have complied with Standing Order 8;

- (vi) deal with any business from the last meeting;
 - (vii) receive and consider reports/presentations from the London Councils sub-committees, forums and associated joint committees and receive questions and answers on any of those reports;
 - (viii) receive nominations and make appointments to fill vacancies arising in respect of any sub-committee, forum or outside body for which the joint committee is responsible;
 - (ix) receive and consider minutes of meetings, any sub committees and forums which have taken place since the joint committee last met.
 - (x) consider motions; and
 - (xi) consider any other business specified in the summons to the meeting.
- 1.13 The order of business of any associated committee shall be as shall be determined by the joint committee.
- 1.14 The Chair may at his/her discretion alter the order in which business is taken.
- 1.15 Leaders' Committee will also receive and consider minutes of meetings, of associated joint committees, any sectoral joint committee, and their sub committees as necessary and relevant to the operation and governance of London Councils.

London Councils Leaders' Committee AGM

Constitutional Matters - Scheme of Delegations Item 14b

Report by: Christiane Jenkins **Job title:** Director, Corporate Governance

Date: 7 June 2022

Contact Officer: David Dent

Telephone: 020 7934 9753 **Email:** david.dent@londoncouncils.gov.uk

Summary: This report requests approval of the proposed London Councils Scheme of Delegations, which encompasses amendments to reflect the current officer structure of London Councils.

Recommendation: The Committee is recommended to:

- Approve the London Councils Scheme of Delegations to officers at **Appendix One**, including the relevant amendments to sections 7, 8, 12 and Part A of Appendix A.

Background

1. In line with London Councils Standing Orders, London Councils Scheme of Delegations to Officers is approved annually at Leaders' Committee AGM, although additional delegations may be made during the year. The current Scheme was approved at Leaders' Committee AGM on 8 June 2021. No changes have been made since that time.
2. London Councils' joint committees have retained the authority to make decisions on policy and service provision and have delegated to officers the administrative functions relating to the running of London Councils.
3. The Scheme of Delegations to Officers reflects the current structure of London Councils and enables effective and transparent decision-making processes. It does not seek to repeat the delegations contained within the Governing Agreements in full, only repeating them if it enhances the usefulness and clarity of the relevant delegation. The Scheme also does not repeat the specific delegations granted to the Director, Corporate Resources, where the responsibilities are included within the financial regulations. The Scheme of Delegations to Officers refers largely to administrative functions such as staffing, which are delegated in the first instance to the Chief Executive.

Proposed changes since last AGM

A small number of changes are proposed to the Scheme of Delegation since the last AGM, to recognise the revised officer structure within London Councils. The changes are:

- Sections 7 and 8: these sections, relating to the nomination of a Deputy to assume authority in the absence of the Chief Executive, have been revised following the deletion of the post of Deputy Chief Executive

- Paragraph 12: all references to Corporate Management Board (CMB) now replaced with Corporate Management Team (CMT)
- Appendix A Part A: Renumbering; duplicate change as in paragraph 12 referred to above also made to the opening text and function 26 (as renumbered); function 2 replaced to reflect the current statutory provisions; function 28 (as renumbered): change of job role from Corporate Governance Manager to Head of Governance and Data Protection.

Recommendation

4. The Committee is recommended to:
 - Approve the London Councils Scheme of Delegations to officers at **Appendix One**, including the relevant amendments to sections 7, 8, 12 and Part A of Appendix A.

Legal Implications for London Councils

5. It is important that London Councils' joint committees properly delegate the exercise of functions to Officers in a manner which is consistent with the relevant Governing Agreements, and any legal restrictions on delegable functions, to ensure that the work of London Councils (through Leaders' Committee, Grants Committee and LCTEC) is delivered efficiently and effectively, and to avoid giving rise to any possible grounds for challenge to decisions made pursuant to those delegation.

Equalities Implications for London Councils

6. There are no specific equalities implications for London Councils.

Financial Implications for London Councils

7. There are no financial implications for London Councils.

Scheme of Delegations to Officers

INTRODUCTION

London Councils¹ may, and only in a manner consistent with the London Councils Governing Agreements²:

- (i) delegate to officers of London Councils those of its functions as are permitted by statute to be delegated; and
- (ii) in relation to any of those functions, require that the exercise of those functions be subject to such conditions as London Councils deems fit to impose, including, where appropriate, prior consultation with the leading member on London Councils of each political party or group before taking such action.³

London Councils must formally resolve to delegate the exercise of one or more of their functions to officers by either:

- (i) a decision taken at a meeting of London Councils i.e., on a case-by-case basis;
- (ii) agreeing a general scheme of delegations to officers.

This document is the general scheme of delegations to London Councils officers. It is not the intention of this document to reproduce details of functions which have been delegated to officers under the London Councils Governing Agreements⁴. This document will, however, be kept under annual review and any additional general delegations to officers which may be made by London Councils throughout the year, will be considered for inclusion in this scheme as part of that review.

As a general rule, the functions delegated to the London Councils joint committees and their sub-committees reflect the purpose of the organisation in best representing the interests of the 32 London Boroughs and the City of London. Decisions about policy directions, lobbying and scope of services remain reserved to Member Committees unless specifically delegated on an issue by issue basis. The authority to manage the administrative aspects of the organisation's work has been delegated to officers within the conditions specified below to enable the effective and efficient running of the organisation.

¹ The reference to London Councils in this Scheme of Delegations to Officers encompasses any joint committee of elected Members (including Leaders' Committee, the London Councils Transport and Environment Committee, Grants Committee ~~and the London Pensions CIV Sectoral Joint Committee~~, and any of their sub-committees authorised to take decisions).

² The London Councils (Leaders' Committee) Governing Agreement, dated 13 December 2001 (as amended); and the London Councils Transport and Environment Committee Governing Agreement, dated 13 December 2001 (as amended).

³ Paragraph 22 of Schedule 6 (Standing Orders) of the London Councils (Leaders' Committee) Governing Agreement, dated 13 December 2001 (as amended).

⁴ Op cit, footnote 3.

Section 1 - General Conditions Of Delegations To Officers

Day-to-Day Management

1. The Chief Executive and the Directors of any corporate service (and their nominated deputies) shall, in accordance with this Scheme of Delegations, have authority delegated to them for carrying out the day-to-day management of the London Councils services for which they are responsible. (Day-to-day management should include those items which have been recognised as such by past practice or by specific decision/resolution of a committee, or where the Chief Executive, in consultation with the relevant Director, agrees is ancillary to or analogous with matters accepted as being within the scope of day-to-day business exercisable by officers of London Councils). This includes authority to:
 - (a) appoint and manage staff in accordance with agreed policies and procedures, having regard to Section 2. below;
 - (b) place orders and enter into contracts for the supply of goods and services in line with the Financial Regulations and to authorise or incur any other expenditure for which provision has been made in the appropriate budget subject to limits set out in the Financial Regulations and subject to these not being in conflict with existing contracts.

Limitations

2. Any exercise of delegated powers by officers shall comply with London Councils current Financial Regulations⁵ and Standing Orders. The Financial Regulations will not form part of this scheme but must be read alongside it.
3. The Chief Executive will have the authority to extend an existing policy or procedure only if it relates to the internal administration of the organisation and when exercised subject to the conditions below.
4. The Chief Executive, the Finance Officer (Director of Corporate Resources), and any other person authorised under the Financial Regulations, will have the authority to negotiate and agree minor variations to contracts, to write off debts and to undertake all other actions authorised under the Financial Regulations
5. With the exception of policies referred to in paragraph 3, any exercise of delegated powers shall not involve a new policy or extend an existing policy of the organisation unless the Chief Executive is acting under the urgency procedures as contained in the current Standing Orders⁶.
6. Any delegation to the Chief Executive or the Finance Officer may be exercised by any officer authorised by the Chief Executive or the Finance Officer (as the case may be) either generally or specifically for the purpose (except where restrictions exist in employment policies which have been agreed in accordance with Section 2 below).
7. The Chief Executive will arrange on a rotational basis for another member of the Corporate Management Team ~~nominate the Deputy Chief Executive~~ to assume authority to exercise all powers delegated to ~~the Chief Executive him~~ in his- their absence.

⁶ Current Standing orders dated 4134/710/202047

9. The Chief Executive may exercise any delegated function in the absence of an officer to whom that authority has been specifically delegated.
10. All delegations are without prejudice to the overriding rights and powers of a London Councils' joint committee or decision-making sub-committee to exercise those functions delegated to it. Any officer may refer a matter to a London Councils' joint committee or decision-making sub-committee in lieu of exercising delegated powers.
11. Subject to the foregoing conditions, and to any special conditions which may have been or may in future be applied in respect of particular matters, the Chief Executive will be expected to make such decisions and to take such action as he/she deems necessary in the interests of the efficient running of the organisation and the services provided and administered.

Section 2 - Staffing Delegations

12. The Chief Executive has been granted delegated authority, in consultation with the Corporate Management ~~Board~~ [Team \(CMBCMT\)](#), to approve policies and procedures relating to human resources and corporate policies and procedures⁷ subject to the following conditions;

 - (b) all new or amended policies relating to the internal administration of the organisation will only be approved following consultation with the Joint Consultative Committee (JCC);

 - (d) any delegations to officers made in accordance with these policies and procedures shall be considered⁷ to be general delegations from the Chief Executive or the Finance Officer (as the case may be) in accordance with paragraph 6 above.
13. In addition, the Director of Corporate Governance is authorised to sign all contracts of employment⁸ and settlement agreements, once the appropriate post approval form (PAF) has been signed and/or in accordance with the relevant employment policies and procedures which have been agreed in accordance with paragraph 12 above.

Section 3 – Officers authorised for certain purposes

14. In accordance with the specific statutory functions delegated to the London Councils joint committees or otherwise to allow the proper and efficient exercise of those functions in accordance with section 111 of the Local Government Act 1972, officers have been individually authorised to act in respect of particular matters (i.e. they are an "authorised officer" for those purposes). Where permitted under the applicable legislation these powers may be further delegated, whether specifically or generally, to another officer to act in the absence of the proper officer.
15. The Chief Executive has been appointed:
 - (a) to act as the "proper officer" for the purposes of the Access to Information provisions of the

⁷ Corporate policies and procedures would include, but not be limited to, the [employees](#) code of conduct, health and safety and information management policies

⁸ Including secondment agreements

Local Government Act 1972 (as amended) except insofar as such powers have been specifically delegated to another officer; and

- (b) to be responsible for the preparation of papers for London Councils Member Body meetings, the preparation of minutes and the promulgation of decisions of such meetings.
- 16. The Chief Executive, in consultation with the Chair of the relevant sub-committee, will have the authority to amend the programme of ordinary meetings approved by the relevant joint committee for the sub-committees it appoints at its AGM in accordance with Standing Order 1.8. as required throughout the year.
- 17. The Director, Corporate Resources (Finance Officer) has been appointed to act as the proper officer for the purposes of Section 151 of the Local Government Act 1972 and section 114 of the Local Government Finance Act 1988. The officer to be responsible for the proper administration of London Councils' financial affairs and to issue a report to Members if there is or is likely to be unlawful expenditure or an unbalanced budget.
- 18. Additional delegations to named officers, some of which do not strictly apply to London Councils but which are adopted as a matter of best practice to allow the proper and efficient exercise of the functions delegated to the London Councils joint committees, in accordance with section 111 of the Local Government Act 1972, are set out in Appendix A with reference to the relevant legislative provisions.

Section 4 - Nominations of elected members to outside bodies

- 19. The Chief Executive has delegated authority to nominate elected Members to serve on outside bodies subject to:
 - (a) those decision being taken in accordance with guidelines agreed by the London Councils Appointments Panel (set out at paragraph 20 below);
 - (b) having regard to the Nolan principles, and
 - (c) those decisions being reported to the next meeting of the Appointments Panel.⁹
- 20. Nominations will be made by the Chief Executive under paragraph 19 in consultation with elected Members. In making nominations, the Chief Executive will first apply the **Particular Principles** at (a) below but will also seek to ensure that nothing is done to depart from the **General Principles** at (b) below. Regard should also be had to the **General Conditions** at (c), below.

(a) Particular Principles

- (i) In cases where a single nomination is required, in first instance the relevant portfolio-holder will be considered and if that is not a suitable appointment then the Chief Executive will consult elected Members on an alternative candidate.

- (ii) In cases where an outside body requires more than a single nomination-

The first principle to be applied in such cases is any reasonable external requirement placed on London Councils in making the nomination

The second principle to be applied, if the first principle does not obtain, is the number of nominations made from each political party shall reflect the balance of

⁹ In accordance with the decision of the London Councils' Executive acting in their capacity as its Appointments Panel on 29 May 2012

the parties represented on Leaders' Committee at that time.¹⁰

(b) General Principles

- (i) When the Chief Executive is applying the Particular Principles set out above, they will seek to reflect any particular interest that the body to be nominated to has expressed to London Councils¹¹.
- (ii) The Chief Executive will also be mindful of other factors that it would be reasonable or proper for London Councils to consider, for example specialist knowledge and skills, stability of service, diversity as well as the Nolan principles set out below and the Chief Executive may, in consultation with elected Members, override the Particular Principles set out above when there is a compelling case to do so.
- (iii) All public bodies are under a duty to follow the Seven Principles of Public Life set out by the Committee for Standards in Public Life, formerly chaired by Lord Nolan (the principles are often called the "Nolan Principles"). In particular, the Chief Executive will seek to ensure that the following three Nolan principles are applied-

Objectivity

In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

Accountability

Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.¹²

Openness

Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

- (iv) The Chief Executive will give consideration to the elected Members of the City of London Corporation when making any nominations to outside bodies.

(c) General conditions

- (i) When a nominee to an outside body ceases to be an elected Member of a London local authority, London Councils will, in general, take whatever steps are necessary to remove them from that outside body.
- (ii) At a freeze date, being the date of the meeting of the London Councils' (Leaders) Executive Sub-Committee in May¹³ of each year, a report will be brought to that meeting setting out the total number of nominations made to outside bodies for each of the political parties with a calculation of how this reflects the agreed principles (above)

~~¹⁰ For example the mechanism employed in determining the number of nominations for each political party made by London Councils to the London Fire and Emergency Planning Authority is set out in legislation – the Greater London Authority Act 1990. This will be determined by the application of the d'Hondt formula~~

¹¹ For example, outside bodies occasionally ask for cross-party appointments

¹² Members will be expected to regularly attend meetings of the bodies they are appointed to and may be accountable to and from, London Councils for their actions in that capacity.

¹³ Except in an election year, when the report will be presented as soon as is practicable

for nominations, and the variation from the balance of the parties on Leaders' Committee. That report may also contain recommendations to rectify any variations that may exist.

Section 5 – Appointments to Young People's Education and Skills Board (YPES Board)

21. The YPES Board is a Forum (or sub-committee) of London Councils Leaders' Committee which operates under a constitution (terms of reference) approved by Leaders' Committee in accordance with Standing Orders. Leaders' Committee has the power to approve the appointment of representatives to the YPES Board upon their nomination by those organisations who are members of the Board. On behalf of Leader' Committee, the Chief Executive will have delegated authority from Leaders' Committee to approve appointments to casual vacancies of the YPES Board.

help shape the development of provision.

5. Alert London providers to known regionally unmet needs and gaps in the market.

9. Co-ordinate the development of specialist education and training across London – including both provision for learners with learning difficulties and disabilities and specialist vocational provision.
10. Undertake any other tasks as directed by Leaders' Committee.

In pursuing these ambitions, it is recognised that there may be the need to undertake specific commissioning activities at a regional level on behalf of local authorities, based on clear business cases.

Summary: This report outlines proposals for recalibrating London Councils Leaders' Committee meetings and those of its Executive from June 2022 onwards with the objective of making the best use of members' time and get the greatest impact from collaboration, thereby maximising the opportunities for advancing the collective interests of London Local Government in line with London Councils Shared Ambitions.

It also sets out the schedule of dates for other London Councils joint committees and their sub-committees.

Recommendations: Leaders' Committee is asked to:

- consider the proposals for recalibrating its meetings and those of its Executive as set out in the body of the report.
- Subject to the above, agree a schedule of dates for meetings of Leaders' Committee and Leaders' Committee Executive as set out in Appendix 1, either with or without modifications.
- Note the proposed dates for meetings of the Audit Committee, Transport and Environment Committee and Executive, Grants Committee and Executive, Greater London Provincial Council, Greater London Employment Forum, Committee for 2022/23 and YPES as set out in Appendix 2.

London Councils Leaders' Committee and Leaders' Executive Committee Meeting Dates 2022-24

Introduction

1. Over the summer of 2021, the Group Leaders of London Councils reflected on their ambitions for London & Londoners. Their reflections and what it means for how London Councils works in the future is encapsulated in the "Shared Ambition for London Councils" which was launched on 25th October 2021.
2. One of its key strands is Political leadership based on shared values – agenda setting, convening and telling London's story.
3. In furtherance of this, Executive Officers and some other Leaders asked officers to consider how the cycle and use of London Councils committee meetings can be adapted to make the best use of members' time and get the greatest impact from collaboration and thereby maximise the opportunities for advancing the collective interests of London local government. Members expressed a range of views on this which this paper responds to.

Governance Structure of London Councils' committees

4. There are three principal decision-making joint committees that come under the aegis of London Councils: Leaders' Committee, Transport and Environment Committee (TEC) and Grants Committee. Each of the three joint committees also has a separate Executive. The joint committees have established associated formal sub-committees and informal working groups.
5. The current cycle of committee meetings for each of the joint committees and their Executives are as follows: Leaders six times per year, TEC four times per year (with four TEC Executive meetings) and Grants three times per year (with two Grants Executive meetings per year).
6. There are currently six Leaders' Committee meetings in a calendar year and six Executive meetings. Leaders' Committee is London Councils' main decision-making

body and each borough is represented on the Committee by their Leader¹. The Executive is a sub-committee of Leaders' Committee which includes the appointment of members to lead on particular policy areas². The Committees currently meet on alternative months (except March and June where there are meetings of both the Executive and Leaders' Committee at present), with the Executive often considering items in advance of Leaders' Committee and submitting recommendations for consideration and agreement.

Maximising the opportunities for advancing the collective interests of London local government

7. In developing the proposals set out in this paper an emphasis has been placed on:

- Taking account of the previous feedback from Elected Officers and some other Leaders
- Building upon the lessons learned during the Covid-19 Pandemic on how Leaders collaborated most effectively across London in order to be able to respond to fast-moving issues and events
- the importance and need for greater collaboration between the 32 London Boroughs and the City of London and the Mayor of London on strategically significant issues such as Levelling Up and the role of London local authorities in decision-making and spending of UK Shared Prosperity Fund (UKSPF).

8. This has resulted in the development of a set of design principles that inform the proposals. These are:

- That formal meetings should only be held when required such as the Annual General Meeting or to approve the budget(s) or policies
- Create more space where informal engagement is more appropriate such as to discuss sensitive and/or emerging issues

¹ For the City of London, it is the Chair of the Policy & Resources Committee

² Portfolio Leads lead on securing cross borough, cross-party agreement to London Councils' policy and positioning in the relevant policy/service area through engagement with relevant London Borough portfolio holders; drive the implementation of agreed policies for the portfolio and communicate with key partners, including membership of Mayoral Boards and other bodies, to ensure that London Councils' positions and services are widely understood and positively promoted.

- Adapt Elected Officers' meetings³ from time to time as business needs require to include relevant portfolio holders for specific items
- Use the existing days/time of committee meetings more flexibly as opposed to holding fewer or more meetings. It is recognised that members' time is limited.

Proposals for Leaders' Committee and Leaders' Executive Committee meetings

9. Based on the design principles the following meeting programmes are proposed:

Leaders' Committee:

- x 3 formal committee meetings (AGM, approval of budgets and policies)
- x 2 informal meetings (e.g., awaydays, workshop etc)

Leaders' Executive:

- x 2 formal committee meetings (pre-audited financial outturn, audited accounts)
- x 4 informal committee meetings

It is proposed to extend the time for Executive meetings to 2.5 hours (9:30am-12noon) based on feedback and business need.

The proposals also include holding, as previously, breakfast or evening reception 'horizon scanning' meetings through the year hosted by the City of London with government representatives/expert speakers (dates tbc).

10. A schedule of proposed dates for each of the programmes above are set out in Appendix 1.

Format/Status of Meetings

11. The feedback from London local authorities to the Government's Call for Evidence on remote meetings included that virtual committee meetings had increased participation in many ways by reducing the requirement for members, officers and the public to travel to meetings and the ability to watch live or watch back from any location.

³ Following the standing down of London Councils Pandemic Steering Committee Meetings, Elected Officers have repurposed the dates of the fortnightly meetings as the basis for additional engagement with officers.

12. London Councils' committees are joint committees⁴ and like all local authorities and bodies which operate as a joint committee must, since the expiry of the Regulations⁵ made under section 78 of the Coronavirus Act 2020, hold their meetings "in person" for their decisions to be valid.
13. It is proposed that until such time as new legislation is passed to allow for any business including decisions to be transacted other than by attendance by members "in person", formal meetings of Leaders' committee and its Executive should take place at London Councils' offices but include a hybrid element so that members who due to exceptional circumstances are unable to attend "in person" can participate virtually and express views, although only those in the room would be able to vote on any required decisions.
14. Informal committee meetings and other forms of collaboration can be held either 'in person', virtually or in a hybrid format and will be determined and communicated following consideration and consultation of the purpose and practicalities of the event.

Schedule of meeting dates for other London Councils' member groupings

15. Appendix 2 to this report sets out the schedule of dates for meetings of the other London Councils' member groupings: Transport and Environment Committee and Executive, Grants Committee and Executive, Greater London Provincial Council, Greater London Employment Forum for 2022/23 and YPES. It also includes those of the Audit Committee, which is a sub-committee of the Leaders' Committee.
16. This schedule follows the pattern established in previous years after discussion with the party groups.

⁴ set up in pursuance of arrangements made under section 101 (5), 101 (5B), 102, 111, 112, 113, 141 and 142 Local Government Act 1972; section 1 Local Authorities (Goods and Services) Act 1970; section 9 Local Government Act 2000 and the Local Authorities (Arrangements for the Discharge of Functions) (England) Regulations 2012.

⁵ The Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority Police and Crime Panel Meetings) (England and Wales) Regulations 2020 No. 392
