# London Councils Grants Programme

## Section 48 of the Local Government Act 1985

- Empowers London's councils to have a programme of grants to the voluntary sector
- Boroughs contribute to the programme (a levy based on proportion of population)
- Boroughs must exercise their functions in respect of the scheme 'with due regard to the needs of the whole of Greater London'
- Requirement to review needs periodically

# London Councils Grants Programme

The Grants Committee (made up of elected Members)

- Ensures the proper operation of the Grants Scheme for making grants to eligible voluntary organisations in London
- Has due regard to the needs of London in operating the Scheme and keeps those needs periodically under review
- Makes recommendations to Leaders' Committee on overall policies, strategy, priorities and annual budget
- Considers grant applications and make grants to eligible voluntary organisations

# 2022-26 Grants Programme

## Aim

- The pan London Grants Programme 2022-2026 aims to support London's boroughs to reduce **homelessness**, and **domestic and sexual abuse**
- The programme will add to the collective effort from local government, the voluntary and community sector, and others across the capital who work to ensure families - whether that is a family of one or many - have a home and are safe

# 2022-26 Grants Programme

## Objectives

- Reduce pressure on public services through an outcome led approach
- Complement (and not duplicate) borough and other housing, homelessness, and domestic abuse services where it is economical and efficient to deliver services on a London wide basis
- Complement (and not duplicate) borough and other domestic abuse services where mobility is key to the delivery of a service that secures personal safety
- Work with statutory and non-statutory partners to contribute to meeting the objectives of the Equality Act 2010

# 2022-26 Grants Programme - Requirements

## General requirements

- Track record of specialist work in the field of homelessness or domestic and sexual abuse **AND** a track record of specialist work with the target group(s) identified in the specification(s)
- Track record of working collaboratively with boroughs and other agencies
- How delivery will add value and not duplicate existing local services
- How delivery will support boroughs where a statutory duty is owed
- How services will be provided to all parts of London

# 2022-26 Grants Programme - Requirements

## General requirements

- How outcomes and outputs will be achieved
- Multi-agency approach/working, with effective links and referral mechanisms
- How services are adapted in response to feedback
- How service delivery can be adapted and continued, at short notice, if required
- How culturally responsive approaches to serving London's diverse population will be built into proposed services
- How proposed services will meet the requirements of the Equality Act 2010

# Emergency Specialist Refuge Provision

## **Service aim - what we want to achieve with your help**

- To reduce immediate danger to life for victims and survivors and to support them to rebuild their lives and gain independence.
- To provide support to victims and survivors whose needs may not be met through mainstream accommodation

## **Services - the types of services we want to fund**

- Emergency specialist refuge/safe accommodation for people experiencing sexual violence, exploitation and trafficking, or domestic abuse, with accompanying support
- Services should be holistic and tailored to individuals needs
- Provisional funding - £840,000 per annum

# Emergency Specialist Refuge Provision

## Types of service (suggested, not exclusive)

- risk assessment and safety planning
- in-house advice services or support to access external advice (housing, financial and debt, immigration, employment, legal)
- support and advocacy for survivors when working with other services (housing, health, social services, criminal justice system, family courts)
- emotional support, therapeutic support and counselling for survivors
- support to build life skills and independence
- family support, including therapeutic support for children and young people
- specialised support appropriate to the needs and experience of survivors
- support to move on from safe accommodation/refuge into longer term settled accommodation

# Emergency Specialist Refuge Provision

## The people we want to support:

- disabled people, including people with mobility impairments and people with learning disabilities
- people with no recourse to public funds or precarious immigration status
- LGBTQ+ people
- Black, Asian and racially minoritised people
- women and men at risk of or experiencing sexual exploitation
- older people
- children and young people - families/individuals less likely to be placed in refuge (parents with three+, mothers with adolescent sons, girls aged 16-17)
- victims and survivors experiencing multiple disadvantage or high complexity of needs (complex mental health problems, substance misuse and contact with the criminal justice system)

# Emergency Specialist Refuge Provision

## Outcomes

**People can make safe choices and survivors experiencing domestic or sexual abuse are able to leave dangerous situations (supporting a reduction in domestic abuse and sexual violence over time)**

- Number of people experiencing greater feelings of safety
- Number of people with a safety plan
- Number of people with continuing support to sustain new lives.

**Domestic or sexual abuse is prevented or reduced - professionals can access specialist and additional support for people at risk/affected by domestic or sexual abuse**

- Local authority officers and local IDVAs/ISVAs can access additional support to wrap around existing services, or make referrals into the service

# Emergency Specialist Refuge Provision

## Outcomes

### People rebuild their lives and move to independence

- Number of people who can rebuild their lives and move to independence
- Number of people who move on from refuge accommodation in a planned way
- Number of people accessing specialist support (immigration advice, legal advice, mental health support, substance misuse support)
- Number of people with improved mental health
- Number of people with more stabilised immigration status

### Bespoke Outcomes

Bespoke outcomes will be agreed during the grant agreement process and applicants are encouraged to suggest bespoke outcomes

# Emergency Specialist Refuge Provision

## Specific requirements:

- track record of effective delivery of emergency specialist refuge provision
- able to demonstrate an understanding of local safeguarding frameworks
- counsellors are accredited and registered with the British Association for Counselling and Psychotherapy (BACP)
- service complies with a specific quality standards framework (for example, the Women's Aid National Quality Standard, Imkaan Quality Standard)
- staff who will undertake advice work for people with no recourse to public funds and people with insecure immigration status are OISC registered
- delivery supports the work of the Mayor of London to reduce violence against women and girls
- commitment to aligning and working with safe accommodation support services commissioned by MOPAC

# A complex, evolving service

- **Geographical coverage** - provide services for all 32 London boroughs, and the City of London
- **Partnerships** - partnerships that include specialist led-by-and-for organisations that can bring lived experience, gender and culturally appropriate services to the programme
- **Partnership responsibilities** - lead partner responsible for due diligence, accountable for all grant funds and responsible for reporting to London Councils
- **Developing the Service** - over the course of the grant, the provider(s) must build relationships with MOPAC commissioned Safe Accommodation services as they are mobilised - creating referral routes and links with pathway co-ordinators and borough housing IDVAs to support survivors across their journey through the system, including moving on from refuge
