London Councils Summit – Saturday 17 November 2018

London Councils' flagship annual event has become one of the primary events in the London local government calendar. The London Councils Summit 2018 will take place on Saturday 18 November in the historic setting of the Guildhall in the City of London.

Over the course of the day more than 200 of London's local councillors - many of them newly elected in the May 2018 London borough council local elections - attend keynote sessions, panel debates and workshops with regular breaks throughout the day providing your organisation with ample opportunities to meet delegates and discuss your campaigns and services.

The Summit is the ideal platform to:

- increase awareness of your organisation among senior politicians and key decision makers in local government
- promote your brand and profile
- initiate discussions on key issues affecting London
- highlight your current campaigns and issues to local government leaders
- communicate key information to local communities.

"Has proved very worthwhile. Meeting the councillors and getting their positive feedback on our plans, designs and benefits has been invaluable; as well as raising awareness to them."

**Karen Rankin,
New World Payphones**

"An exceptional event with both knowledgeable and thought provoking discussions. This is a vital forum of collaborative communication that will help each local authority to provide the best service to their residents and businesses."

**Harriet Allen,
Thames Water**

"Excellent to find out what all the various councils are achieving. Great day and a lot of a interest. Well worth a Saturday."

**Peter Cannon,

Exhibition and Sponsorship Packages

Exhibition Package:

£2,000 (VAT exempt)

Includes 2 free delegate passes for stand staff (additional passes will be charged at £40 per person)

Exhibition spaces are all located within the busy catering area ensuring good footfall throughout the day and ensuring maximum exposure to the 200+ delegates. An exhibition stand is a great opportunity to meet and network with councillors across London's 33 local authorities. All delegates are directed upon arrival to the exhibition/catering area and will spend time in this hall during lunch as well as in both morning and afternoon refreshment breaks.

You can enhance your participation by opting to add on a micro-surgery to your exhibition package; more details below.

The Exhibition Package includes:

- a branded exhibition space measuring 2x3m to distribute collateral
- two delegate passes for stand staff and complimentary lunch
- attendance at the conference (excluding the political network meetings)
- 100 word listing in the conference A4 programme
- the option to add on the micro-surgery package (subject to space availability)

Once you have received confirmation of your booking, you will be able to book additional elements for your exhibition space. Internet connection and extra tables and chairs must be requested in advance and may incur an additional charge. Additional exhibitor passes must also be requested in advance and will be invoiced at £40 per person. Please note you will not be able to request this on the day.

Micro-surgery add on package

£500 (VAT exempt)

Includes one free delegate pass for stand staff and the option of a half page advert in the delegate programme.

The micro-surgery package can be added to the Exhibition Package. It is not bookable on its own. Micro-surgeries take place within your allocated exhibition stand area during morning registration and refreshments breaks.

Micro-surgeries provide an opportunity to stand out from other exhibitors and interact with delegates. In addition, you can benefit from a half page advert in the delegate programme to complement your micro-surgery and showcase your expertise in the relevant subject. Interested organisations are encouraged to book extra staff if hosting both an exhibition stand and micro-surgery.
